

The Lake Ellen Association
Cascade Wisconsin

2017 Lake Ellen Fireworks

Dear Raffle Sponsor:

The Lake Ellen Association was formed to maintain the physical and natural beauties of Lake Ellen and its immediate vicinities. Lake Ellen represents a major asset to the entire community since many people come to enjoy the lakes beauty and recreational activities.

The Lake Ellen Association activities include:

- Lake quality monitoring for water clarity and chemistry
- Participating in the DNR's Clean Boats/Clean Waters initiative
- Hand pulling of aquatic invasive species (AIS)
- Applying for and receiving annual grants to help cover costs of a Clean Boats/Clean Waters inspector for Lake Ellen (Our 4th year)
- Supporting an Eagle Scout project to place fish cribs in Lake Ellen
- Donating to the Cascade Fire Department for water rescue equipment
- Sponsoring the annual fireworks display over Lake Ellen

For our organization to successfully support lake quality activities and the annual fireworks we look to local businesses for donations for our raffle. The sponsor list will appear in a Thank You ad in the Plymouth Review and will also be posted on the Town of Lyndon website under Lake Ellen Association (www.townoflyndon.com).

This year's Lake Ellen fireworks are scheduled for *Saturday July 8th* at 9pm.

We are hoping that you will be able to help us with a donation for our annual fundraiser. Should you have any questions, please feel free to contact our President, Bobbi Laine email: bobbilaine@hotmail.com or phone (414) 640-6746.

Sincerely,

Members of the Lake Ellen Association
